Discussion

We reviewed what we had previously discussed in the last meeting regarding this ordinance. Officer Micucci offered some suggestions. He also showed us a Town Ticket system that he would like to implement. We all agreed that was a good system and would like to see the NPD add this into their processes.

Conclusion

We finalized a draft, to be typed up, to present to the Board at the January 21st meeting.

Ordinance to review at next meeting

Officer Micucci said he has had multiple calls regarding peddlers and that we currently do not have an ordinance for this. We decided that since this was an item that would have to go to the Town Meeting, we wanted to get this done right away. We reviewed the deadline dates to submit for Town Meeting and the dates of the Board meetings. We decided to call an extra meeting on January 28th at 6pm at the Town office. Officer Micucci had already typed up a version of the ordinance. We made copies so that we could all review it before the next meeting, as this will be a time sensitive ordinance.

Office Micucci said he had also wanted to review the Ordinance for Noise & Disorderly Conduct. We had decided earlier to table that for this meeting. We discussed that since we already had an ordinance for this, that we could build off, that this could be review at a later date.
