

ORDINANCE

AN ORDINANCE PERTAINING TO THE INSTALLATION AND
MAINTENANCE OF SWIMMING POOLS ON ONES PROPERTY

In the year of our Lord one thousand nine hundred and eighty-two

Whereas the Town of Northumberland has in recent years
experienced serious problems of water supply; and

Whereas there is need to control and monitor water usage
for the benefit of the entire community; and

Whereas there are many and varied types of swimming pools
marketed, both in-ground and above-ground; and

Whereas the manner of installation and maintenance of
such pools is of proper concern to said town in the exercise of
its police powers;

Now therefore, be it ordained by the Board of Selectmen of
the Town of Northumberland, as follows:

Section 1. No person shall install or erect a swimming pool
in the Town of Northumberland without first submitting plans for
same, including plans for any security devices, such as safety
fencing, appurtenant thereto, to the selectmen and obtaining
a permit therefor.

Section 2. In considering whether or not to issue the permit
required by this ordinance, the selectmen shall consider the
water demands on the municipal supply, the quality and nature
of the proposed installation, the placement of the installation in
its relationship to adjoining properties, the adequacy of
security measures and devices appurtenant thereto and all other
relevant factors and may, in their discretion, require change
in plans as submitted prior to and as a condition of any permit
which may be issued by them hereunder.

Section 3. Any person convicted of a violation of Section 1
of this ordinance shall be fined not more than one hundred (\$100),
and the Town of Northumberland shall have the right to seek
injunctive relief, if necessary, to compel compliance with this
ordinance.

This ordinance shall become effective upon its adoption.

Adopted by the Board of Selectmen of the Town of Northumberland,
New Hampshire, January 11, 1982.
